Dear Mr. Skop,

It was truly delightful to have the wonderful Holiday music leading our students in song yesterday. The students, as well as the staff, enjoyed the good cheer and the opportunity to sing and even dance! And, the students, of course, loved the gifts. They were delighted to show off what Santa had brought for them. Diana, Deborah, Sharon, Wayne and Frank were terrific ambassadors of good will.

Thank-you all for your kindness and thoughtfulness! From all of us at A. Harry Moore School we wish you a happy and health holiday season and New Year.

Sincerely,

A handwritten signature in cursive script that reads "Judy Ortman".
