Dear Ray,

The generous gift you gave the A. Harry Moore School bought an astounding amount of wonderful items. We have recently purchased:

- 2 RCA Televisions
- 2 DVD players
- 2 Monster Cables
- 2 Boomboxes
- 1 Camcorder

It is rather amazing having friends in such wonderful places! As I said before, you can feel very confident the gift will be well used and is very much appreciated!!

We really can't thank you enough!

Sincerely,

Judy Ortman
Principal
