Dear Ray:

On behalf of the staff and patients at Christ Hospital, please accept my sincere thanks for your *extremely generous* donation of toys for our pediatric patients.

Our patients were thrilled with the coloring books, action figures, dolls, stuffed animals and all of your gifts. Since you were so **very** generous, Christ Hospital's counselors and visiting nurses also received toys to give to children whose parents are teenagers, in drug and alcohol rehab, and dying of AIDS. A young mother of three, who recently lost everything in a fire, was the recipient of toys for her children as well.

For sharing the Christmas spirit with our youngest patients, we thank you and Deborah, Diana, Frank and all the members of the Ray of Hope Foundation. (The Christ Hospital Foundation will acknowledge your generous financial contribution in a separate letter.)

Enjoy the photo, thanks again, and best wishes to all for a happy, healthy new year.

Sincerely,

Eileen Videtti
