Dear Diana:

On behalf of all of the patients and staff at Christ Hospital, I want to thank you for the **very** generous donation of baskets, bunnies, chocolates and gifts you donated last month for Easter.

You were so generous that children in the Emergency and Outpatient Departments as well as Pediatrics and the Nursery were the happy, little beneficiaries of your baskets. I had signs to hang on Holy Thursday and took the liberty of giving some stuffed rabbits to some very sick elderly patients. One wanted to pay me; another said "God Bless You," and another lady just clutched the purple rabbit to her chest. I was deeply touched.

For your kindness, generosity and thoughtfulness, we thank you very much. You and all of the Ray of Hope Foundation members should be proud of the work you do.

May God bless, and thank you!

Sincerely,

Eileen Videtti
