Dear Mrs. Saltarelli:

On behalf of the Child Life Program at St. Joseph's Children's Hospital, I would like to take this opportunity to thank you for contacting me regarding the Ray of Hope Foundation, and offering your services to our pediatric patients. It has been a pleasure to work with you, as well as the other members of your foundation.

The visit you made to the pediatric patients for Easter was greatly appreciated by the children, teens, families and staff. The Easter baskets, Easter Bunny and your cheery Easter wishes greatly brightened the holiday for our patients and their families. I know that the patients and families were extremely grateful for all of the goodies in the baskets, as well as the personal Easter Bunny pictures. You helped make this holiday happy and special for them, even though they were at the hospital.

Thank you again for your kindness. I look forward to working with you in the future, and I hope to see you soon.

Sincerely,

Tiffany Andiloro
