To Whom it May Concern,

I wanted to write and thank you and everyone from your organization for everything you did on Easter. As you can imagine it is especially hard for the children when they are in the hospital during a holiday. You all helped to brighten their day. We feel honored to have such generous and considerate people visit us.

Thank you again for all you do to support our efforts to provide quality health care to our community.

Sincerely,

Shannon Lego, CCLS
