Dear Ms. Scherman:

On behalf of the Board of Trustees of Christ Hospital Foundation, please accept our sincere thanks and heartfelt appreciation for the generous contribution of \$1,000 from *Ray of Hope Foundation* which has been earmarked to be used for our Pediatric and Cardiology Units here at Christ Hospital. I also want to take this opportunity to thank you for the toys you donated for our youngest patients.

While the generous monetary contributions and the toys, books and games were so appreciated, meeting all of you during this "magical" time of year was the highlight. All of us feel we now have some "special angels" looking out for us, and we are so grateful.

In accordance with Internal Revenue Service regulations, this will confirm that you received no goods or services from Christ Hospital in exchange for your gift. Therefore, your full contribution is tax-deductible to the extent provided by law. A further ruling from the IRS indicates that a canceled check is no longer satisfactory evidence that a charitable contribution has been made and, therefore, this letter will serve as a receipt for your thoughtful contribution to the Christ Hospital Foundation.

Thank you, again, for your caring and concern. As we begin a new year, may you and your loved ones be blessed with peace, comfort and joy.

With grateful appreciation,

Barbara A. Davey, Executive Director
Christ Hospital Foundation
