Dear Ray, Diana, Deborah and Friends:

On behalf of the Christ Hospital Foundation, please accept our sincere thanks and appreciation for your generosity to our hospital and the patients we serve.

Your visits to our pediatrics, obstetrics and subacute care units were so well received by our patients and staff alike. Your gifts were most appreciated by our children in the emergency department, counseling center, and home care. In addition, our elderly patients loved the teddy bears.

Our cardiac care unit, the beneficiary of your generous \$500 contribution, will receive new equipment thanks to you. In accordance with Internal Revenue Service regulations, this will confirm that you received no goods or services from Christ Hospital in exchange for your gift. Therefore, your full contribution is tax-deductible to the extent provided by law. A further ruling from the IRS indicates that a canceled check is no longer satisfactory evidence that a charitable contribution has been made and, therefore, this letter will serve as a receipt for your thoughtful contribution to the Christ Hospital Foundation.

Again, your Ray of Hope Foundation is truly a guardian angel for Christ Hospital and the community we serve.

Sincerely,

Barbara A. Davey
Executive Director, Christ Hospital Foundation
