Dear Ray

It is always wonderful when we make a new friend. Thanks to Nesle Rodriguez, we have a new friend in you and the Ray of Hope Foundation! We are so grateful for the clothes and toys which you recently donated to our agency. We have distributed most of the items between our After School Program and our Developmental Day Care Center.

I read all of the material you sent to me through Santiago Bonilla when he picked up the donations. I was very impressed and have shared the information with a number of other people.

I do believe that a relationship between your folks and ours is a natural. Since we were first established as a nonprofit organization in Hudson County in 1950, we have been here to serve the needs of children and adults with developmental disabilities. This is a particularly vulnerable and underserved population. Most of our clients are also economically disadvantaged. The needs are great. Hudson Milestones is the only agency in this county that serves these individuals from birth throughout their entire lifetime in a multitude of program modalities. We offer early intervention therapies and developmental day care for babies. We provide support to families and clients in their own homes by way of our respite and cash stipend programs. We operate an after school program for children and a Saturday recreation program for adults. We have two adult day activities centers for people who are too old to go to school but do not have the skills to work in the community. We run a Senior Day Program out of the Paterson Street Senior Citizen Center. We also operate ten group homes in Hudson County, two specially designed for senior citizens with developmental disabilities.

As you can see, we are committed to caring for individuals at all ranges of age. We have State contracts which fund us at a basic need level. Anything extra, the

quality of life stuff, is dependent on donations. We are always seeking funding from community sources who are interested in supporting our work.

I am enclosing information on our one and only agency fundraiser, our Annual Dinner Dance and Chinese Auction, which is being held on April 1st, 2005 at the Casino in the Park. I think you would really enjoy this event as we party with our clients, families, staff and community friends.

In any case, please accept the heartfelt gratitude of all of us at Hudson Milestones for your generosity towards our children.

Very truly yours,

Deborah Lorenzetti
