Jenkinson's Beach

Pt. Pleasant Beach, NJ 08742

Dear Mr. Sterrino,

On behalf of the Child Life Department at St. Joseph's Children's Hospital, I would like to take this opportunity to thank you for your generous donation of Jenkinson's Boardwalk 2008 Vouchers. I received these vouchers through Deeni and Lucille of the Ray of Hope Foundation.

My staff and I look forward to distributing our ten passes to our chronic patients and their family members. We have already given one to a cancer patient and his family, as well as Cystic Fibrosis patient and her family. These children cannot wait to visit the boardwalk and participate in all of the fun activities that the voucher offers. We do have eight other children in mind and will be seeing them soon to give them their vouchers. There is no doubt that these children will be just as excited to visit your beach as were the patients mentioned above.

We are very grateful to have been recipients of these passes. Many of the patients we work with are not only sick, but they come from low-income homes. Therefore, your generosity enables them with an opportunity to take an enjoyable day trip with their family and be free of the medical environment.

Thank you again for making such an opportunity possible and thinking of children in need.

Sincerely,

Tiffany Shevchik, CCLS
Child Life Coordinator
